

FLOAT

Float Modular 5 Piece Set - JD Grounded Limestone

DESCRIPTION

The Float Modular 5 Piece Set delivers cloud-like comfort with deep seating, a low-profile silhouette, and feather and fibre blend cushions that create a soft yet supportive sit. Upholstered in James Dunlop Grounded – Limestone, it features a durable hardwood frame with webbing support and a versatile modular design that allows flexible configurations to suit a range of spaces. Its generous proportions and relaxed, sculptural form create an inviting centrepiece, making it ideal for both residential and commercial interiors.
